

# Introduction to Blockchain and Cryptoassets:

**How can students stay ahead of the market?  
A fire-side chat**

Ever had questions like what is the mechanism behind Bitcoin and Ethereum? What is going on with the boom in NFT markets recently? What does blockchain technology have to do with our lives and different industries?

In this event the knowledge gap will be bridged. We will unveil the concepts of the technology and provide insights to this rapidly evolving market.

**SPEAKER  
Desmond**
